Re: *LG Philips LCD Co., Ltd. v. ViewSonic Corporation et al.*

Dear Derek:

The Tatung Defendants have recently acquired the LG LC056N1 flat panel display device, the Sharp LQ6RA01, and the following Tatung plasma products:

P42BSMT-U01 serial number 7CA338630112

P50BSAT serial number 7KA417630093

P46T serial number 0131700437

As you know, some of the prior products we made available for inspection were in the category of "dead products" and were missing certain components. In our continuing effort to search for complete representative products, we have located the above identified products which were recently returned.

Per Mr. Merideth's letter of July 31, 2007, please contact us at your earliest convenience to arrange a time for inspection at our Santa Monica office.

Sincerely,

Charlene Oh
